

If your child is in Grade 3/4 or 5 ...

Children and families find themselves increasingly engaged in a host of activities designed to broaden their horizons. The primacy of spiritual development is sometimes lost. Yet, what can be more enduring than solid foundations in faith?

St. Paul's recognizes the competing demands on your and your child's time. We offer quality programs in many areas.

Services begin at 9:00 or 11:00. In 4th grade, children begin to serve as **acolytes**.

At 10:10 children gather upstairs for Sunday School. In *The Upper Room*, your child will spend a year actively learning about the church. This program promises to keep all children thoroughly engaged. Seders and Toga Parties are just two of the wonderful activities planned.

On the last Sunday of the month, the **Young T.U.R.K.s** (The Upper Room Kids) meet for youth group. We offer both onsite and offsite activities. Invite friends!

Here are some other great programs:

- **Advent Choir** (contact Leslie Dinsdale: LeslieDinsdale@gmail.com or Glenda Blanchard: agblanch@comcast.net to learn more)
- **Crafts & Games** before and after Wednesday Choir rehearsals
- **Lamplighters** (structured formation and fun, Wednesdays 6:30-7:30)
- **Acolytes** (contact is Margaret Nielsen: mtnielsen@aol.com)

We offer other resources which we hope will help you in raising children of faith:

- A library with books and audio CDs
- Periodic classes on raising children
- Young Family Fellowship (September through May)
- Harried, with Children - an informal gathering of parents at Wednesday's dinner
